At public appearance in Mississippi

Butz met by 25 black protesters

Former Agriculture Secretary Earl Butz, in Mississippi to promote his farm policies, was interrupted at a news conference Friday by blacks protesting the racial slur that led to his resignation

"I have made a grevious mistake, I have apologized as sincerely as I know how and I have paid dearly for it," Butz said, as he tried several times to restrict questions from the audience to farm policy.

But 25 black protesters in the back of the motel conference room where

his news conference was held interrupted Butz several times and accused him of racism and of neglecting the interests of the poor in agricultural areas

Butz avoided the handful of pickets at the Greenville airport and at the motel. He later said he entered the motel through the back door because 'I just followed the driver.

He repeated his contention that his obscene and defamatory remark, made on a plane to Watergate conspirator John Dean and printed in an article by Dean in Rolling Stone Magazine, was not intended to be derogatory to blacks but was an old phrase he had used for many years. "I've even used it in joking about

my own people, the German Lutherans," he said. Butz was in the Mississippi Delta

at the request of Republican congressional candidate Roland Byrd, who repeated his longstanding invitation to the former secretary after Butz resigned.

Byrd defended Butz and said the visit would not hurt his uphill campaign against two-term incumbent

"I'm willing to take that chance," Byrd said.

"I would ask the black people and white people of Mississippi, who are compassionate and forgiving people, to forgive the former secretary, Byrd said.

But several blacks, including Bolton Mayor Bennie Thompson and Greenvile civil rights activist Don Sutton, told Byrd he was abandoning the black vote in the heavily-black area by hosting Butz.

New mystery disease kills 81

tain and Belgium are trying to identify a mysterious disease known to have killed at least 81 persons since mid-September in the African nations of Sudan and Zaire.

At the World Health Organization (WHO) in Geneva, a spokesman said officials there view the outbreak as an event of "international importance.

A spokesman for the British Defense Ministry said blood samples from Sudanese victims of the disease were received last Tuesday from the WHO.

A spokesman for the Belgian Public Health Ministry in Brussels said scientists are also trying to determine the cause of the disease at the Institute of Tropical Medicine in Antwerp and at the U.S. Public Health Service.

Carter says Ford was brainwashed

ALBUQUERQUE, N.M. (AP) . Jimmy Carter sharply attacked President Ford's credibility on campaign finances and issues Friday and said the President apparently "was brainwashed if he thinks that Poland is free of Soviet dominance.

'Apparently when Mr. Ford went to Poland, as happened to George Romney the last time, he was brainwashed," Carter told a rally in Albuquerque's civic plaza.

And, Carter said, "I don't know what the facts are about Mr. Ford and his income tax. He does.

These statements were part of a challenge that Carter issued upon arriving in Albuqueque

"I call on the American people to force Mr. Ford to tell the truth, tell the whole truth, and nothing but the

"I call on the American news media that Mr. Ford be crossexamined in a carefully prepared conference.

The Democratic candidate said, as he has before, that Ford is hiding in the White House

"Once or twice every week he walks into the (White House) Rose Garden and recites a memorized speech and hides again," Carter told the rally

White House aides have said that Ford's strategy is to highlight his conduct of the presidency rather than campaign around the country constantly as Carter has done. Ford is in the midst of his third campaign trip since his nomination.

Valley man stabbed, dies at college

A 20-year-old Ontario man was stabbed to death on the campus of Azusa Pacific Colege in Azusa

Los Angeles County Sheriff's deputies identified the victim as Kim Brunk, of 1530 Hollowell St., Ontario. Brunk, said deputies, was murdered at about 10:45 p.m. Thursday in the college's music depart-

ment He was said to be a music major at the school

Only partial details of the incident were released by authorities, but they quoted witnesses as saying Brunk became involved in an altercation with another man.

In the course of the fight Brunk was stabbed numerous times in the upper torso area. He died at the scene

The suspect fled after stabbing Brunk. No description of the suspect was released by authorities.

Humphrey up, walking

NEW YORK (AP) - Sen. Hubert H. Humphrey, whose cancerous bladder was removed Thursday, 'continues to do very well' and was up walking Friday, his doctor said. Dr. Willet F. Whitmore Jr. said the Minnesota Democrat's "vital signs remain stable and progress con-

tinues normally. 'He has been out of bed several times this afternoon, walking around his room. He received routine pulmonary therapy, that is, breathing exercises..."

Dr. Whitmore led the surgical team which successfully removed the malignantly cancerous organ from the 65-year-old senator at Memorial Sloan-Kottering Cancer Center on Manhattan's Upper East

A giant Clydesdale mare, Rossdale Evelyn, narrowly escaped death Friday in St. Louis. Mo., when vandals shot at random into a group of horses owned by Anheuser-Busch, Inc., brewery. One of the mares was killed and the foal she was carrying died, while Rossdale Evelyn and two other mares were shot but expected to survive. Veterinarian Dr. Ron Pappan indicates where bullet entered (where right hand is) and exited forehead.

2nd hurricane rips Mexico

WOUNDED CLYDESDALE

MEXICO CITY (AP) - Hurricane Madeline smashed into Mexico's Pacific coast Friday with winds gusting to 161 miles per hour and dumped torrential rains over a wide area, the government weather service said

Police and the Red Cross said the second hurricane to hit Mexico's west coast in a week killed at least two persons and injured others.

They said the high winds and rain destroyed crops and snarled transportation and communications in at least 11 states stretching from the Pacific coast eastward almost to the Gulf of Mexico.

Landslides blocked numerous highways in west central Mexico, including the main road from Mexico City to the famous Pacific resort of Acapulco, where authorities said at least three persons were injured, none seriously

Police said two persons drowned at Chilpancingo, the capital of Guerrero state, where flooding rivers swept away more than 200 houses, most of them wood shanties

or adobe huts. The port of Zihuatanejo appealed for more ambulances.

More than 30 coastal communities reported damage, but details were incomplete because communications were cut.

The storm hit the coast about 6 a.m. with sustained winds of 124 m.p.h., the weather service said. It broke up soon afterwards over the Sierra Madre mountains and was downgraded to a tropical storm, with

winds of 30 to 40 m.p.h. Telephone communications were knocked out shortly after Madeline struck, and electrical storms accompanying the hurricane cut off radio contact with the hardest-hit area by midafternoon

Communications were still disrupted Friday night.

Army headquarters in Acapulco reported it had put an emergency plan into effect 72 hours before Madeline came ashore and had evacuated some 10,000 people from lowland areas in the states of

Guerrero and Michoacan. The Balsas River divides the two states. Before communications were lost,

the Red Cross in Zihuatanejo radioed authorities Friday morning that there was no serious damage there.

YTS inmates give \$500 to victim's wife

Inmates of the Youth Training School in Chino have voted to donate \$500 to the wife of a supervisor injured seriously in the recent escape of 13 prisoners at the facility.

The announcement of the contribution was made Friday by Jane Ward, a YTS spokesman.

She said the institution's student council voted to give the money to Becky Cauble, wife of Gary Cauble, who was severely beaten and had his throat slashed in the Sept. 21 breakout

Cauble is still in serious condition at San Antonio Community Hospital in Upland.

In addition to the donation by the youth inmates, another \$780 is being donated by staff members at YTS. The student council which voted

fashion, We don't want any trouble. However, the marchers went several blocks before they were halted by Asst. Chief Charles Mc-Carthy. McCarthy had lost command of Manhattan North uniformed forces for failure to crack down during an off-duty police protest outside Gracie Mansion, the mayor's official residence, when the demonstrations first began.

When the City Hall demonstrators insisted they were going to march south on Wall Street, McCarthy ordered police photographers to start snapping pictures of the march-

Ford proposal again rebuffed by Gromyko WASHINGTON (AP) - The Soviet

Union has rejected for the second time a Ford administration attempt to wrap up a nuclear weapons treaty that would not cover the controversial U.S. Cruise missile and the Russian Backfire bomber, high U.S. officials acknowledged Friday.

The new U.S. overture was made by Secretary of State Henry A. Kissinger to Soviet Foreign Minister Andrei Gromyko over a steak and wine dinner in New York and then repeated by President Ford when Gromyko called at the White House last week

The proposal called for having negotiators in Geneva complete terms for agreement on issues already settled. This would set a ceiling of 2,400 on each country's strategic weapons systems, including multiple warheads, until 1985. An interim agreement is due to expire next October.

The pilotless Cruise missile and the Russian Backfire bomber would be left to subsequent high-level negotiations between the two super-

Completion of a treaty now would have the effect of continuing some restrictions on nuclear arsenals for another decade and allow Ford to score what might be considered a foreign policy coup before the presidential election.

But, as they had in a formal note last March, the Russians rebuffed the offer, U.S. officials said. Gromyko reiterated that any nuclear weapons treaty must impose restrictions on the Cruise missile, which can be launched from surface ships, submarines or aircraft and elude early warning radar.

Despite the turndown, the officials said, both sides are actively pursuing a weapons agreement and discussions with the Soviets will continue although no formal response to last March's note has been pre-

During his debate with Carter on Wednesday night, Ford said the Cruise missile could be included in a treaty but that the United States must in-

New leader named for Thailand

BANGKOK, Thailand (AP) Tanin Kraivixien, a 49-year-old university professor and judge, was made prime minister of Thailand Friday by a two-day-old military regime that said it intends to retain power for at least the immediate

In a television broadcast to the nation, the new prime minister quoted Thailand's King Bhumipol Aduladej as saying he is "very worried about the situation in the country.

Tanin, chief of the Thai supreme court and professor of political science at two Bangkok universities, said the king formally confirmed him as prime minister shortly after he was named in a surprise decision by the 24-man military committee that seized power Wednesday.

Retired Navy Adm. Sangad Chalawyu, head of the committee, accompanied Tanin to his audience with the king.

Neither Sangad nor Tanin, whom one source termed a "paper prime minister," said how long the return to democracy would take.

But Tanin, a onetime national assemblyman, said, "To achieve democracy instantly will not be possible. We have to first build our political structure..." Sangad said he had told the king that his committee had no intention of holding power for a long period.

The military regime continued to issue decrees tightening security.

Authorities said they had arrested about 3,000 suspected subversives and ordered the public to turn in all "battlefield" weapons. Thailand has no gun laws and private weapons are common. About 120 persons were released Friday, some on \$1,500 bail.

Ray asks High Court to review King case

Earl Ray, convicted killer of civil rights leader Dr. Martin Luther King Jr., asked the Supreme Court Friday to review his case, claiming he was "set up to take the rap for a crime he didn't commit.

Ray's appeal to the high court said he was "framed by the FBI and local police, and then coerced by his own attorney to plead guilty against his will."

James H. Lesar, the Washington attorney representing Ray, wrote in asking the court to review Ray's conviction, "The charge is that those who did kill Dr. King are still at large, protected in part by the un-willingness of the courts to face these unpleasant facts.

Lesar could not be reached for further comment on the appeal. His petition called Ray's case one "of national importance, both politically and legally The petition did not mention an in-

Boy ballerinas due at UCLA

New York's comedy troupe of boy ballerinas will perform at Royce Hall, UCLA, at 8 p.m. Oct. 24.

Les Ballets Trockadero de Monte Carlo is actually a troupe of "ballet impersonators," in the words of director Peter Anastos. The "girls" present traditional ballets, such as "Swan Lake," as well as original material, clad in the standard tutus and feather headpieces. The style has come to be known as "Travesty ballet."

Now less than three years old, Ballet Trockadero has already attracted the attention of the dance world and the media. Famed ballerina Natalia Makarova gave the group a boost this summer by posing for some gag photos with the assemblage. And dance superstar Baryshnikov "nearly fell out of his chair laughing," Anastos said, when he saw the troupe perform.

Ballet Trockadero is actually a breakaway group,

once part of another travesty ballet that Anastos felt was too limited in its approach. The joke was always confined to the way we looked," Anastos said of looked," Anastos said of the original troupe. "Some of us got tired of dressing in tutus and running around in circles. We could see something bigger than that - humor that could also be derived from the choreography and the style of dancing. We wanted bigger sets, bigger productions - a real satire on classical ballet.' After the breakaway,

Ballet Trockadero struggled along as a group of unpaid performers who worked for the love of their art. They rehearsed in small theaters and halls in lower Manhattan. The turning point came in November, 1974, when the New Yorker magazine published an article on the transvestite troupe. Later, Richard Avedon photographed the Trockadero for Vogue magazine.

"Suddenly, we've surfaced," Anastos observes.
"We're almost not an underground group anymore."

The Trockadero's current tour will take the troupe through the United States and Canada.

Anthem talk at Claremont

William Lichtenwanger, an authority on the history of American music, will depict the story of the National Anthem in lecture, drama and music in Bridges Hall, Pomona College, at 3 p.m. Oct. 17. Admission is free.

"From Bacchus to Congress: The Strange Story of the Star-Spangled Banner" is the title of the presentation. The program will include singers presenting the Anacreontic drinking song from which "The Star-Spangled Banner" originated, the Pomona College band playing a 19th Century arrangement of the anthem, and a group of readers dramatizing the 1958 hearings conducted by a congressional subcommittee before adoption of the single-standard authorized version of the anthem.

Lichtenwanger was with

the Library of Congress from 1940 until he retired in 1974. For the last 13 years of his career there he headed the reference division. He has done considerable writing on musical subjects and spent last summer in the British Isles doing research on antecedents of "The Star-Spangled Banner."

The music departments of Pomona College and Claremont Graduate School are sponsoring the program.

Proposal to remove sulfate pollutants from air shelved

PB Staff Writer

A state mandated proposal designed to take up to 80 per cent of sulfate pollutants out of the air, was shelved Friday by the Southern California Air Pollution Control Board.

members Board meeting at the chambers of the Pomona City Council, called the proposal ambiguous, and turned it over to the APCB staff for further study

They indicated they would not take up the proposal again until next spr-

The state plan calls for sulfate and sulfur dioxide criteria so stringent that its adoption could cause blackouts in the valley more than 30 times a year, according to J.A. Stuart, the district's chief air pollution control officer.

A spokesman for the Southern California Edison Co. called it "unworkable" and cautioned that even if the plan were implemented, "the damages could far exceed the purported benefits.

Keith Krumwiede, Edison's chief air quality en-

gineer, told the board that the power blackouts which the standards would require in case of smog episodes would affect not only service to individuals and commercial establishments but also hospitals, rest homes, sewer treatment plants and other key services.

'We have no way of differentiating between one user and another," he explained. "When power is cut off everyone is affected.'

Edison was one of several companies which appeared before the board to protest the proposal. Opposition also came from oil companies and power and water companies.

All of them urged the board to refuse the state mandate which requires all air pollution districts to approve the plan. Failure to comply could result in action by the California Air Pollution Board itself, and the withholding of state

But board members expressed confidence that the state won't take action until the end of the year. By

force, now considering the origin and the effect of sulfates on the environment is expected to be completed.

The controversy in the state mandated plan centers around two new requirements: that air pollution control district start measuring oxidants in the air in combination with sulfur dioxide, and that whenever sulfate in combination with oxidants reaches .20 parts per million parts of air, a smog episode be called triggering the shut down of power company operations, among other things.

Board member Peter Schabarum said there was no proof that such combinations were more dangerous to health than the resultant power shutdowns.

He and other board members, noting that a task force compsoed of Cal Tech scientists, Edison company experts, and state and district air pollution specialists were in the midst of such a research program, decided to defer action on the state proposal until next February or

Spectacular blaze: auto rams gas pump

A spectacular fire was touched off Friday afternoon at an Ontario gas station when a car knocked over a gasoline pump.

The fire occurred at the Seirex gas station at 622 S. Euclid Ave. at 4:40 p.m.

A huge column of black smoke rose in the sky, said firemen, prompting emergency calls to the Ontario Fire Department from as far away as Chino and Montclair

The first fire units arrived at the scene within one minute and had the fire three minutes. Officials said the blaze occurred when a man iden-

contained in only about

tified as Rudolph Perchez of Ontario attempted to back up his car near the gas pumps.

An open door on his car struck one of the pumps, knocking it over. Gasoline from the pump ignited almost immediately and quickly spread to the car itself

The man fled and escaped injury said firemen. Officials were unsure the

cause of a safety device that cuts off the flow of gas from the large underground tanks when a pump is knocked over. Estimated cost of the damage, which included

Harvey Mudd College wins beauty award

Harvey Mudd College in Claremont has been chosen for a landscaping and beautification award from Los Angeles Beautiful.

The school of engineering and science was cited by judges for its blending of science and beauty into a graceful coexistence.

Harvey Mudd is one of two colleges to win awards this year and one of only four campuses among more than 600 winners in the past 19 years. Each year, the beautification group roams the Los Angeles basin to seek out and recognize efforts of business and industry, plus, infrequently, private

Judges found the Harvey Mudd campus pleasing to the eye, a look enhanced by a stand of mature oak trees, wide expanses of lawn and curving walkways. Hixon Court, a sunken patio off Galileo Hall, was praised for the way in which trees and shrubbery accented a walled, concrete area.

The overall landscaping design was done by Thomas D. Church and Associates of San Francisco in association with Cornell, Bridgers, Troller and Hazlett, Los Angeles landscaping architecture firm.

headquarters that we undoubtedly will have around 1,500 when all of them are established," she said. The volunteers plan to contact by telephone every voter

in their precincts before the end of the campaign and work to get out the vote on election day.

Hayakawa, a Republican, is challenging incumbent John V. Tunney, a Democrat, for a seat in the U.S.

REP. DEL CLAWSON, R-33rd Dist., has been awarded National Rifle Association's "Defender of Individual Rights" certificate by Richard L. Corrigan, director of the Governmental Affairs Division of the NRA Institute for Legislative Action.

Clawson was cited for his achievements in the House of Representatives on behalf of firearms owners and sportsmen throughout the nation.

Clawson long has been "a staunch defender of the lawabiding citizens right to own firearms," said Harlon B. Carter, executive director of the institute.

REP. JIM LLOYD, D-35th Dist., and Assemblyman Bill McVittie, D-65th Dist., will speak at the West End Democratice Club meeting Monday at 8 p.m. at clubvead-quarters, 123 E. Holt Blvd., Ontario.

Both are candidates for re-election. They will present issues relating to their campaigns, "stressing rela-tionships with local problems and solutions involving Washington and Sacramento," club officials said.

Pomona schools will boost teaching staffs

To allow more high school students the option of taking a sixth-period class, the Pomona school board has agreed to employ two additional teachers at each of the three high schools.

Board members also agreed to place four additional teachers in the junior high schools to reduce class size. Cost of the 10 new teachers was set at \$117,000.

The board approved spending another \$6,000 to modify space at the schools to accommodate the increased number of classes

Administrators said they routinely revise staff allocations at the beginning of the school year to accommodate increases or decreases in enrollment, working toward a ratio of 28 students to one teacher in grades seven through nine, and 35 students to one teacher in 10th, 11th and 12th

Currently all ninth graders in the high schools are scheduled for a six-period day. However, few 10th, 11th and 12th graders are.

graders have requested a sixth period and only 108 have bilingual program. Ganesha and Pomona highs will share been accommodated.

At Garey High School, students are enrolled for a full year, not a semester. The full year is equivalent to 10 periods, or five periods per semester.

Administrators at Garey said they have not identified a problem of students requesting and not receiving a sixth

period class. Some 402 Pomona High School students have requested a sixth period class. As of Sept. 27, only 213 had been accommodated.

The additional teachers will remain in the schools through June, administrators said, even though enrollment drops off the second semester because of mid-year graduations, students leaving with proficiency certificates and families moving out of the district.

The increased staff will enhance student options for a sixth period the second semester.

In addition to these 10 new teachers, Fremont, Marshall and Simons junior high schools and Garey High each will At Ganesha High School, some 300 10th, 11th and 12th receive an additional teacher and a teacher aide under the a teacher and an aide under this program.

Citrus asks for funding for a child care center

Citrus College has applied for federal funding to construct a child care center on the campus.

The college trustees have authorized college officials to hire an architect to prepare drawings for submission to the board by Nov. 1.

The federal program, under Title 1 of the Public Works Act of 1976, is designed to stimulate employment through 100 per cent federal funding. The need for a child care center has been a primary concern of several student groups over the past years.

If approved, the new building complex would also provide space for a learning skills center, career guidance center, financial aid office and a college bank

The Community Services Office of Citrus College will start an art enrichment program with collegetrained docents, under the guidance of Carolyn Ramos, associate art gallery director.

College trustees have approved the member of the Inland Empire Academic Libraries Cooperative, a reciprocal book-lending agreement with 21 other educational institutions.

Citrus College's proposal to construct handball courts on the campus has been accepted by the California Department of Finance. The state agency authorized the school to submit preliminary drawings for the project which also includes major improvements in existing facilities for physically handicapped students.

Education materials displayed

Educational materials for public school classes which reflect various cultures and ethnic groups will be displayed at a public Multicultural Media Fair Wednesday from 1 to 5 p.m. at the University Union at Cal Poly Pomona.

The event will be sponsored by Pomona's Emergency School Aid Act (ESAA) project.

Interested residents, teachers and school administrators may attend. Some 30 companies will display audiovisual materials and take orders. Some companies will have items available for purchase.

A color slide presentation and display booth on ESAA project will be featured. The project was begun three years ago in 15 public and private schools to reduce racial isolation and promote better understanding among ethnic groups in the community.

Project assistants Jo Cunningham and Lydia Vasquez are coordinating the fair. Parent involvement specialist LaVonne Caldwell has arranged for parents of ESAA students to serve as hostesses.

Hair styling benefit set

A fund-raising hair styling benefit for St. Jude's Childrens Hospital will be staged Sunday at Los Bravos Hair Design in the Puente Hills Mall.

Planned from 11 a.m. to 4 p.m., the stylethon will have a \$5 minimum

Hair stylists from all over the area will participate in the event which is open to all persons wishing to support the work of the hospital which specializes in children's illnesses.

Flea market slated in Upland Sunday

Upland Chamber of Commerce will sponsor its 10th Flea Market on Sunday from 9 a.m. to 5 p.m. on the south side of Upland Memorial Park.

The semi-annual community event is open to the public with a 25 cents admission fee

The Chamber of Commerce scheduled the events in the spring and fall to meet the needs of the community to have a place to conduct garage or fund-raising sales and participate in an event which would better expose them to the public.

We have done away with the need for many individual sales by clubs or groups needing to raise funds," said Tony Malone, executive director of the chamber.

'In addition, the annual Flea Market has become an entertaining activity for all those attending." On Friday, members of the Chamber of Commerce gather at the

park to mark off spaces which are sold to groups for \$5 each. Chamber members also arrive at

the park at 5 a.m. to direct exhibitors to their spaces.

An added event during the morning is a pancake breakfast served by the Kiwanis Club of Upland from 6 a.m. to 2 p.m.

Among the items available at the market will be household items, coloring books, clothing, plants, antiques, glassware, and handcrafted Clubs participating in the Sunday

event include Credit Women of Ontario, Ontario Fun-Era , Fontana Family YMCA, San Jose Parlor of the Native Daughters of the Golden West, Sons of Norway, Euclid Lions Club, Kappa Kappa Iota, Upland Rotary Club, La Leche League, San Antonio Chapter of the Daughters of the American Revolution, PBX Club of Pomona and the San Dimas

Grange. Persons interested in knowing more about the community event may call the chamber office, 962-

Greenwood Bungalow on a new foundation

The Committee for the Preservation of the Barbara Greenwood Kindergarten Bungalow reported the 68-year-old structure is setting on a

San Dimas quarterback Don Hargett, with a lead block from fullback Bob Pleasant (40), dashes around his own right end in Friday's S.D.-Bonita game at MSAC. Saints downed Beatcats 26-7 to regain coveted "Smudge Pot Bowl" trophy.

San Dimas regains Pot

By JIM McCONNELL PB Staff Writer

San Dimas High has regained the 'Smudge Pot"

The Saints, behind a devastating running attack and a smothering defense, downed rival Bonita by a convincing 26-7 score Friday night at Mt. San Antonio College.

Thus San Dimas won the "Smudge Pot Bowl" for the fourth time in the five-year history of the award. More importantly, the Saints stayed atop the Hacienda League standings with a 2-0 mark. Bonita fell to a 1-1 league

ledger The Saints rang up 255 yards on the ground, to only 58 for Bonita. S.D.'s rushing total was even more amazing in that their leading rusher on the year, Fred Carter, is sidelined with a broken collarbone.

Perry Aris, Carter's replacement in the backfield, had a big night with 82 yards on 16 totes and one touchdown. Fullback Bob Pleasant added 80 yards on 15 carries and two TDs while quarterback Don Hargett chipped in with 75 yards on 20 attempts. In all, it was an amazing dis play of balanced ground power to

coach Bob Baiz' crew. In contrast, the Bearcats could not generate any sort of running game. Quarterback Sanford Coggins was their only rushing threat with 55 yards on 17 carries, most of those picked up while scrambling away from the aggressive San Dimas

Warren sets pace at OMS

James Warren of Bakersfield, covered the Ontario Motor Speedway quarter mile in 5.92 seconds Friday to take the first day lead in qualifying for the 12th annual Winston World Finals drag races.

Second was Jerry Ruth of Seattle, Wash., at 5.995 and third was Ray Stutz of Arcadia, at a career best 5.999. Qualifying to fill the 16-car field will continue today with finals scheduled for noon Sunday.

Leaders in the other professional categories following Friday's competition were Ron Colson of Oregon, Ill., at 6.18 seconds in Funny Car; Dave Kanners of Troy, Mich., at 8.76 seconds in Pro Stock; and Dale Armstrong of Torrance at 6.72 seconds in Pro Comp.

In the latter category, Pomona's Jerry Darien held down the No. 10 spot after Friday at 6.95 seconds. Darien, runner-up at both the NHRA Winternationals and Fallnationals this year, is considered one of the top outside threats in Pro Comp.

Pomona's other bright hope in the World Finals - Stock standout Jerry McClanahan - was not qualified among the low 16 but is expected to break into the lineup in today's ses-

Spartans hold off Red Devils

By MIKE BROSSART PB Staff Writer

Damien High won its third straight game and ran its San Antonio League record to 2-0 Friday night outlasting visiting Pomona, 25-23.

The Spartans appeared on their way to winning by a more comfortable margin until Pomona defensive tackle William Warren raced 68 vards with a fumble recovery for six points with 1:40 left in the game. Brian Donahue's extra-point kick made it 25-23, but that was Pomona's last harrah.

Damien's winning margin - two points - made a big play earlier in the game look even bigger

With Pomona leading, 16-15, and four seconds on the clock in the first half, Damien's Pete Fox kicked a school record 47-yard field goal to give the Spartans a two-point halftime lead.

The three-pointer, Fox' first attempt in a varsity game, erased the school record for a field goal of 42 yards, set last year by Rick Davis.

The strong led of Fox also sent two kickoffs into the end zone during the game, and as a tight end the 6-foot, 200-pound senior caught three passes

for 47 yards. The field goal by Fox capped a wild first half in which Pomona had taken the lead for the first time with 1:58 left on a one-yard run by fullback Ricky Fairman, the game's leading rusher with 106 yards on 22 carries.

But after a total of 34 points were scored in the first half, things settled down considerably in the final two periods.

The only touchdown of the second half besides Warren's steal was a 19yard connection from Damien quarterback Dan Marconi to Tom Lopez with 3:58 left in the third quarter. That TD culminated an impressive drive, covering 75 yards in 13 plays

In the first half, each team hammered away at the opponent's defensive unit. Damien began the scoring on a 22-yard pass from Marconi to John Davis on the first possession of

the game. Pomona countered with a 29-yard field goal by Donahue with 2:39 left in the first quarter, but Damien scored again on a two-yard run by Leo Burke less than a minute in to the second period. Just over four minutes later, Pomona quarterback Kevin Johnson hit Vann Andrews with a nine-yard scoring strike and Donahue's kick made it 15-10 Da-

mien. Fairman's touchdown run later put Pomona in the lead only until Fox' field goal.

Damien played ball control in the second half, using two long possessions to run down the clock. "I like to think that our offense is our best defense," said Damien coach Dick Larson. "As long as we have the ball they can't score.

Pomona was the more impressive running team, but the Spartans were much more successful in the air. Marconi completed 17 of 27 passes with one interception for 217 yards. His leading receiver was Davis with four catches for 70 yards, three of them fine catches of passes over his head.

Leo Burke gained 50 yards on 14 carries and Jason Wight added 42 on 13 for the Spartans, who totaled 137 yards rushing.

Pomona had 172 yards on the ground, with Albert Lewis gaining 43 yards and Reggie Gaskin 23 on just five carries. Johnson was in and out of the game because of a knee injury.

Damien had 354 yards of total offensive to Pomona's 235 The Spartans now share first place in the SAL with Garey while

Yankees 10-13 over Royals

RENO, Nev. (AP) - The New York Yankees are 10-13 favorites to defeat the Kansas City Royals in the first game of the American League Championship playoffs today, Harrah's Reno-Tahoe Race Book said Friday.

The oddsmakers made the defending World Series Champion Cincinnati Reds an even choice in their opener Saturday with the Philadelphia Phillies.

New York, which won the AL East title handily, meets the AL West champion Royals at 10 a.m., PDT. The Reds-Phillies game is scheduled for 5:15 p.m., PDT.

Bruins greet Stanford

LOS ANGELES (AP) - The No. 1 wide receivers for Stanford and UCLA are both out nursing injuries but the underdog Cardinals will be hurt more than the unbeaten, fifthranked Bruins when the teams collide tonight.

Wally Henry of UCLA and Tony Hill of Stanford are both out of tonight's game, but the Cards will probably miss Hill more than the Bruins miss Henry.

That's because Stanford lives by the pass.

In the last two years, the Cardinals' Guy Benjamin has connected on nearly 60 per cent of his pass attempts, a school record. But he won't even be the starter when the Pacific-8 Conference race opens for the teams.

Mike Cordova again starts for the Bay Area team. Benjamin, however, is expected to see action against the Bruins, who are favored to win by more than two touchdowns.

The Bruins have one of the slickest

offenses in the nation, but it's mostly a ground attack. The ball carriers thus far have been tailbacks Wendell Tyler and Theotis Brown and quarterback Jeff Dankworth.

Tyler has run for an even 400 yards in four games, including 105 against potent Ohio State in last week's 10-10 tie at Columbus. Brown, the sophomore with the size 15 shoes, has rushed for 382 yards. Dankworth has 315-155 in the Bruin opener against Arizona State - and he has added 241 yards passing on 19 completions in 31 attempts.

Stanford's squad is made up largely of California players, many of them from the Southern California area. This fact helps make Cardinal players perform well in Los Angeles, before their friends, relatives and former neighbors.

In Stanford's last seven games in Los Angeles, against UCLA and Southern California, the Cards have a 3-3-1 record.

The Bruins stand 3-0-1 for the season, unbeaten in their last eight games and ranked No. 5 in the nation. Stanford, 1-3, has lost to Penn State, Michigan and Army.

Stanford's quarterback tandem of Cordova and Benjamin has produced 937 yards passing. But even a powerful pass offense may not do much scoring against a Bruin defense that is tied for No. 1 in the nation, permitting just 36 points this year. Bruin foes have averaged only 278 yards per game, running and passing.

The UCLA defense is led by sophomore linebacker Jerry Robinson, a 6-foot-3, 208-pounder who has made 80 tackles to lead the

USC plays in dome

PULLMAN, Wash. (AP) - If Southern California's football team depended solely on the rushing of Ricky Bell to win its games, Jackie Sherrill might be a happy man.

But the Washington State coach, whose team takes on USC tonight in Seattle's Kingdome, listed the Trojan players with the enthusiasm of a Washington wheat farmer discussing a predicted hailstorm.

"Evans, Tatupu, Simmrin...he's (Bell) not the only one you've got to stop. They've got a lot of other people too," Sherrill said.

The 11th-ranked Trojans present a balanced offense led by tailback Bell, USC's Heisman Trophy candidate, who has rushed for 661 yards this season.

Then there's quarterback Vince Evans, who has passed and run for 533 yards, Randy Simmrin, a wide receiver who has caught 12 passes for three touchdowns and Mosi Tatupu, who has rushed for 89 yards and earned the praise of USC Coach John Robinson as "the best blocking back at USC since Sam Cunningham,

"The only flaw is on their bench," Sherrill said. "When they sit on it, it tends to break.

Robinson's Trojans, with the nation's No. 2 offense, also are powerful defensively, said Sherrill.

"They're very aggressive in the secondary. The best pass defense is the rush, and Oregon (which lost to USC 53-0) didn't throw well against

them," he said. Pass-minded WSU will rely on the arm of quarterback Jack Thompson. who is second in the conference in total offense.

Washington State has proven in every game it can score from anywhere on the field," said Robinson. And it certainly appears Thompson is an outstanding quarterback. You never stop a great passer, you just slow him down. And we're

going to have to slow him down." USC lost its opener to Missouri, then beat Oregon, Purdue and Iowa The Trojans are averaging 477 yards per game offensively.

Washington State is 1-3, losing to Kansas, Minnesota and Wisconsin before trouncing Idaho 45-6 last Saturday.

San Dimas High has regained the 'Smudge Pot"

The Saints, behind a devastating running attack and a smothering defense, downed rival Bonita by a convincing 26-7 score Friday night at Mt. San Antonio College.

Thus San Dimas won the "Smudge Pot Bowl" for the fourth time in the five-year history of the award. More importantly, the Saints stayed atop the Hacienda League standings with a 2-0 mark. Bonita fell to a 1-1 league ledger.

The Saints rang up 255 yards on the ground, to only 58 for Bonita. S.D.'s rushing total was even more amazing in that their leading rusher on the year, Fred Carter, is sidelined with a broken collarbone.

Perry Aris, Carter's replacement in the backfield, had a big night with 82 yards on 16 totes and one touchdown. Fullback Bob Pleasant added 80 yards on 15 carries and two TDs while quarterback Don Hargett chipped in with 75 yards on 20 attempts. In all, it was an amazing dis play of balanced ground power to

coach Bob Baiz' crew. In contrast, the Bearcats could not generate any sort of running game. Quarterback Sanford Coggins was their only rushing threat with 55 yards on 17 carries, most of those picked up while scrambling away from the aggressive San Dimas

Leaders in the other professional categories following Friday's competition were Ron Colson of Oregon, Ill., at 6.18 seconds in Funny Car; Dave Kanners of Troy, Mich., at 8.76 seconds in Pro Stock; and Dale Armstrong of Torrance at 6.72 seconds in Pro Comp.

In the latter category, Pomona's Jerry Darien held down the No. 10 spot after Friday at 6.95 seconds. Darien, runner-up at both the NHRA Winternationals and Fallnationals this year, is considered one of the top outside threats in Pro Comp.

Spartans hold off Red Devils

By MIKE BROSSART PB Staff Writer

Damien High won its third straight game and ran its San Antonio League record to 2-0 Friday night outlasting visiting Pomona, 25-23.

The Spartans appeared on their way to winning by a more comfortable margin until Pomona defensive tackle William Warren raced 68 yards with a fumble recovery for six points with 1:40 left in the game. Brian Donahue's extra-point kick made it 25-23, but that was Pomona's last harrah.

Damien's winning margin - two points - made a big play earlier in the game look even bigger.

With Pomona leading, 16-15, and four seconds on the clock in the first half, Damien's Pete Fox kicked a school record 47-yard field goal to give the Spartans a two-point half-

The three-pointer, Fox' first attempt in a varsity game, erased the school record for a field goal of 42 yards, set last year by Rick Davis.

The strong led of Fox also sent two kickoffs into the end zone during the game, and as a tight end the 6-foot, 200-pound senior caught three passes for 47 yards. The field goal by Fox capped a wild

first half in which Pomona had taken the lead for the first time with 1:58 left on a one-yard run by fullback Ricky Fairman, the game's leading rusher with 106 yards on 22 carries. But after a total of 34 points were

scored in the first half, things settled down considerably in the final two

The only touchdown of the second half besides Warren's steal was a 19yard connection from Damien quarterback Dan Marconi to Tom Lopez with 3:58 left in the third quarter. That TD culminated an impressive drive, covering 75 yards in 13 plays. In the first half, each team ham-

mered away at the opponent's defensive unit. Damien began the scoring on a 22-yard pass from Marconi to John Davis on the first possession of the game.

Pomona countered with a 29-yard field goal by Donahue with 2:39 left in the first quarter, but Damien scored again on a two-yard run by Leo Burke less than a minute in to the second period. Just over four minutes later, Pomona quarterback Kevin Johnson hit Vann Andrews with a nine-yard scoring strike and Donahue's kick made it 15-10 Da-

mien. Fairman's touchdown run later put Pomona in the lead only until Fox' field goal.

Damien played ball control in the second half, using two long possessions to run down the clock. "I like to think that our offense is our best defense," said Damien coach Dick Larson. "As long as we have the ball they can't score.

Pomona was the more impressive running team, but the Spartans were much more successful in the air. Marconi completed 17 of 27 passes with one interception for 217 yards. His leading receiver was Davis with four catches for 70 yards, three of them fine catches of passes over his head.

Leo Burke gained 50 yards on 14 carries and Jason Wight added 42 on 13 for the Spartans, who totaled 137 vards rushing.

Pomona had 172 yards on the ground, with Albert Lewis gaining 43 yards and Reggie Gaskin 23 on just five carries. Johnson was in and out of the game because of a knee injury.

Damien had 354 yards of total offensive to Pomona's 235.

The Spartans now share first place in the SAL with Garey while Pomona is winless after four games.

Yankees 10-13 over Royals

RENO, Nev. (AP) - The New York Yankees are 10-13 favorites to defeat the Kansas City Royals in the first game of the American League Championship playoffs today Harrah's Reno-Tahoe Race Book said Friday.

The oddsmakers made the defending World Series Champion incinnati Reds an even choice in their opener Saturday with the Philadelphia Phillies.

New York, which won the AL East title handily, meets the AL West champion Royals at 10 a.m., PDT. The Reds-Phillies game is scheduled for 5:15 p.m., PDT.

Bruins greet Stanford

LOS ANGELES (AP) - The No. 1 wide receivers for Stanford and UCLA are both out nursing injuries but the underdog Cardinals will be hurt more than the unbeaten, fifthranked Bruins when the teams

collide tonight. Wally Henry of UCLA and Tony Hill of Stanford are both out of tonight's game, but the Cards will probably miss Hill more than the Bruins miss Henry.

That's because Stanford lives by the pass.

In the last two years, the Cardinals' Guy Benjamin has connected on nearly 60 per cent of his pass attempts, a school record. But he won't even be the starter when the Pacific-8 Conference race opens for the teams.

Mike Cordova again starts for the Bay Area team. Benjamin, however, is expected to see action against the Bruins, who are favored to win by

more than two touchdowns. The Bruins have one of the slickest

a ground attack. The ball carriers thus far have been tailbacks Wendell Tyler and Theotis Brown and quarterback Jeff Dankworth.

offenses in the nation, but it's mostly

Tyler has run for an even 400 yards in four games, including 105 against potent Ohio State in last week's 10-10 tie at Columbus. Brown, the sophomore with the size 15 shoes, has rushed for 382 yards. Dankworth has 315-155 in the Bruin opener against Arizona State - and he has added 241 yards passing on 19 completions in 31 attempts.

Stanford's squad is made up largely of California players, many of them from the Southern California area. This fact helps make Cardinal players perform well in Los Angeles, before their friends, relatives and former neighbors. In Stanford's last seven games in

Los Angeles, against UCLA and Southern California, the Cards have a 3-3-1 record.

The Bruins stand 3-0-1 for the season, unbeaten in their last eight games and ranked No. 5 in the nation. Stanford, 1-3, has lost to Penn State, Michigan and Army.

Stanford's quarterback tandem of Cordova and Benjamin has produced 937 yards passing. But even a powerful pass offense may not do much scoring against a Bruin defense that is tied for No. 1 in the nation, permitting just 36 points this year. Bruin foes have averaged only 278 yards per game, running and passing.

The UCLA defense is led by sophomore linebacker Jerry Robinson, a 6-foot-3, 208-pounder who has made 80 tackles to lead the

with a big play late in the game to make two Kent Gurney point-aftertouchdown kicks stand up as the difference in a 14-12 Cavalier win over host Upland High, Friday night.

The clutch play came with 22 seconds remaining in the game. On third down and 21, Montclair defensive back Steve Pace intercepted quarterback Steve Davenport's pass on the nine-yard line and returned it to

following a missed Gurney field goal with 3:59 to play. The Highlanders drove from their 20 to the Montclair nine with 37 seconds. A major penalty moved Upland back to the 26.

Faced with second and 21, Davenport threw incomplete, to set up the interception. Montclair also came up with clutch

defensive plays to prevent Upland from converting after both its touchdowns. The Cavaliers busted through to block Davenport's kick after the first

USC plays in dome "The only flaw is on their bench,"

PULLMAN, Wash. (AP) - If Southern California's football team depended solely on the rushing of Ricky Bell to win its games, Jackie Sherrill might be a happy man.

But the Washington State coach, whose team takes on USC tonight in Seattle's Kingdome, listed the Trojan players with the enthusiasm of a Washington wheat farmer discussing a predicted hailstorm.

"Evans, Tatupu, Simmrin...he's (Bell) not the only one you've got to stop. They've got a lot of other people too," Sherrill said.

The 11th-ranked Trojans present a balanced offense led by tailback Bell, USC's Heisman Trophy candidate, who has rushed for 661 yards this season.

Then there's quarterback Vince Evans, who has passed and run for 533 yards, Randy Simmrin, a wide receiver who has caught 12 passes for three touchdowns and Mosi Tatupu, who has rushed for 89 yards and earned the praise of USC Coach John Robinson as "the best blocking back at USC since Sam Cun-

nation's No. 2 offense, also are powerful defensively, said Sherrill.

They're very aggressive in the secondary. The best pass defense is the rush, and Oregon (which lost to USC 53-0) didn't throw well against them," he said.

Pass-minded WSU will rely on the arm of quarterback Jack Thompson. who is second in the conference in total offense.

"Washington State has proven in every game it can score from anywhere on the field," said Robinson. And it certainly appears Thompson is an outstanding quarterback. You never stop a great passer, you just slow him down. And we're going to have to slow him down." USC lost its opener to Missouri,

The National Weather Service said late Friday that there was a "100 per cent chance" of rain. A slow, steady rain. Not the that can be waited out, but the kind that forces postponements.

The Phillies office announced that if today's game cannot be played, the first game of the best-offive series will be played at 12:45 p.m., PDT, Sunday which was the scheduled starting time for the second game.

First game tickets would be honored then.

The second game would start at 1 p.m., EDT, Monday, which is scheduled as a travel day between Philadelphia and Cincinnati. The third, fourth and fifth games, if needed, would be played Tuesday,

Wednesday and Thursday in Cincinnati.

With a rainout, this bestof-five series would have to be played in five consecutive days, with no Monday break. That, said Manager Danny Ozark, could give his underdog Phillies a slight advantage against last year's World Series winners.

"If anything, rain would give us a bit of an edge because of the pitching,' Ozark said. "I've got a five-man rotation ready to work.

Hunter, of course, has a running feud with the stadium ground crew, complaining about the way the mound is manicured But he has not yet gone to the extreme of Detroit's Mark Fidrych, who gets down on his hands and knees to recondition it to his liking every inning.

Royals starter Larry Gura has some complaints, too, but not about his home field. He just isn't too happy with Billy Martin. manager of the Yankees.

Martin cut Gura twice, first in Texas and then again this season with the Yankees.

'He's a nibbler," said Martin, who claimed that Gura pecks at the strike zone. "I had four starters who were better," the Yankee manager added, explaining his decision to trade the left-hander to the Royals last May.

"I remember every thing he said," replied Gura. "I'd like to start all three games of the series against the Yankees.

Gura isn't the only player who has feuded with Martin during the Yankee manager's stormy career. One of his bitterest battles when Martin managed Texas was with outfielder Elliot Maddox, whom he traded to the Yankees. Martin followed Maddox to New York a year after that

Maddox missed almost the entire 1976 season. recovering from knee surgery, and it was something of a surprise when his name was listed for right field in the Yankees' starting lineup. He replaced Lou Piniella, with Piniella as New York's designated hitter.

The Royals also had a surprise, moving Amos Otis into the leadoff spot in the lineup. Otis has not batted first since 1971.

"I'm just trying to juice up the lineup and get us some runs," said Whitey Herzog, Kansas City's

Sparky Anderson might be in a bind, hampered by Gullett's possible arm problems and Jack Billingham's shoulder mis-

eries. "So we might have an advantage in a series without a a day off," Ozark said. In Carlton, the Phils

have a contender for the Cy Young Award, emblematic of pitching supremacy. The 32-year-old left-hander was 20-7 in 1976, his third 20victory season, and was fourth in National League strikeouts with 195. He was 11-2 at home.

But in Carlton, the Reds might have just the man against whom they can use their best tactic-speed on the bases.

One of Carlton's biggest weaknesses, despite being a southpaw, is holding runners on base. And he insists that Tim McCarver, a catcher with a questionable throw, be his receiver.

If any of the high-flying Reds, such as Joe Morgan or Ken Griffey, gets on first, it wouldn't be a surprise to see them off and running on the first pitch.

But for that, McCarver has his own answer. "They can't steal first," he says.

While Anderson had to be concerned about the health of two of his pitchers, Ozark's worries about two of his hitters were being put to rest by Phils trainer Don Seger, who said Garry Maddox' left wrist seemed relatively sound and Greg Luzinski's hamstring pull was easing.

"Garry's been hitting a great deal-long and hard-this week and has gotten better every day. I have no qualms," Seger said. Maddox hurt his wrist late in the season sliding into second then reinjured it when he was hit by a pitch.

And of Luzinski, he said, "The hamstring has been improving right along and is at a good level. He's not experiencing any pain.

A.L. honors Angel stars

NEW YORK (AP) -Nolan Ryan and Frank Tanana, the one-two pitching punch of the California Angels, were honored Friday as the American League's "Co-Players of the Month" for September.

The two formidable Angels hurlers had a combined record of 11-2 for the period of Sept. 1 through Oct. 3 and their selection by the AL office marks the first time that two players have shared the award.

Rvan had a 6-1 record for the season's last month, with six complete games, a 1.33 earned run average and 75 strikeouts, including an 18-strikeout performance against the Chicago White Sox.

Prep roundup

Chaffey High belts Arcadia

Chaffey High belted host Arcadia 49-14, Friday night in the biggest offensive output of the year for a valley team.

In other prep action, American Christian Academy beat Christian League foe Calvary Baptist, 33-12, Ontario Christian battled Valley Christian to a scoreless tie and Webb fell to San Jacinto, 14-0.

The Tigers scored seven touchdowns on runs and Bill Pomeranke kicked the extra point each time. Running back Frank Fernandez scored three TDs on runs of six, 52 and two yards. Backfield mate Steve Lehor scored Chaffey's first two TDs on runs of two and 20 yards.

Frank Cohn and John Gable tallied the Tigers' final two touchdowns.

Chaffey is 2-2 and will open Citrus Belt League play next week against Eisenhower. American Christian's (90.1), MSAC vs. Santa Ana.

La Verne College goes for its third straight victory this afternoon as the Leopards host Azusa Pacific (1:30 p.m.).

It's the home opener for the Leos who have defeated both Whittier (7-6) and Pomona-Pitzer (56-7) on the road. games. In other

Claremont-Mudd and Pomona-Pitzer are both on the road. The Sagehens (1-1) are at Moraga this afternoon to play St. Mary's (1-3). The Stags (0-2) travel to San Diego to play USIU (0-3-1). Both are 1:30 p.m. games

The Leopards appear to have an easier time ahead of them with APC than they have had in the past. The winless (0-2) Cougars have been beset with injuries in the offensive backfield.

When APC lost its first game, it also lost sophomore Mitch Merrill for the season with a broken jaw. Merrill rushed for over 1,000 yards last vear as a freshman.

Two other runners, possibly a third are also out with injuries.

"If it weren't for bad luck, we wouldn't have any luck at all," said coach Jerry Sconce. "We have no running game right now and that's no secret." Mistakes cost the

Cougars dearly in a 16-6 loss to Whittier last week Sconce's team fumbled three times including the opening kickoff and had four passes intercepted. "We're not missing op-

portunities because of physical problems, Sconce said. "It's more due to mental mistakes. Our first two opponents took advantage and didn't make the same kind of errors we did."

APC dropped its opener to Occidental, 39-25. In the meantime, La Verne squeezed by Whittier, 7-6, and rolled over Pomona-Pitzer, 56-7, in a non conference game.

The Leos will score more

and I think the players were intimidated," he said. "I still think we're a much better team this year and we did come out without any injuries.

Claremont-Mudd will be facing a team, like itself. that is looking for its first win. USIU has been beaten by Flagstaff, 20-0, Cal St. Los Angeles, 41-12, tied USD, 30-30 and dropped a 31-14 tilt to Redlands last

The Stags lost by one point, 17-16, to St. Mary's in their opener and fell to powerful Cal Lutheran, 38-22. last week. 'We're going to have to

play a lot tougher defensively and rely on our quickness in order to come up with a good game," said coach John Zinda. The Westerners' best

running back, Steve Maston, has been hampered by injury and has not reached the form he displayed last year when he rushed for over 1,000 yards.

MSAC opens league

By JIM McCONNELL PB Staff Writer

South Coast and Mission Conference play starts tonight for the valley's three junior colleges, and all three will be facing dangerous foes.

Mt. San Antonio, 3-0-1 on the year, will be going against Santa Ana (1-2) at Memorial Stadium in Walnut. That tilt will start at 7:30 p.m.

Citrus and Chaffey are also at home in Mission action. The Owls (2-1 on the season) will be facing unbeaten Palomar (3-0) at Owl Stadium in Azusa. Chaffey (also 2-1) will face winless Riverside City College (0-2) at Alta Loma. Both those games will start at 7:30 p.m.

MSAC figures to be the heavy favorite vs. Santa Ana but the Mounties can ill-afford to take the Dons lightly

Santa Ana, under firstyear coach Howard Black, has had little success in the pre-league season, being outscored by opponents 73-21. The Dons beat Cypress 14-7 but lost to Rio Hondo and L.A. Pierce by big margins.

Expected to start at quarterback for Santa Ana is freshman Steve Cody. Cody has shown an extremely strong arm in nonconference games but his accuracy has been off. He has connected on only 27 of 59 tosses so far, with six interceptions and no touchdowns.

In contrast, MSAC's Brian Bethke has hit on 22 of 34 passes with five touchdowns and only one interception. Of course, the Mounties haven't been in a position where they have had to throw the pigskin yet, while the Dons have been in that spot all

S.A.'s leading rusher is Rick Jones with only 115 yards. Clarence Jackson is next with 104, as Black has tried seven different backs without finding a consistent ground gainer.

Again in contrast, the Mountie running attack has been healthy, spearheaded by Mike Hill (360 yards), Dana Hutchinson (178 yards) and Bethke (159 yards).

Citrus also has its running game healthy, and if Owl QB Dale Bunn can find the range with his passes it could be a long night for visiting Palomar

Palomar, at 3-0, has been the surprise team of the Mission Conference so far. However, the Comets have not met a quality schedule the likes of Citrus. Palomar also has not whipped the Owls since 1954, so a win tonight for the San Diego County school would be a major upset.

Chaffey is also favored in its clash with RCC, a team which has been outscored 59-20 in two games.

With its offense sputtering, Chaffey has been relying on its strong defense to beat two foes so far

ARIES (March 21-April 19) There's a possibility you could treat a serious matter far too lightly today. Don't play games with something of value.

TAURUS (April 20-May 20) Even though you will have to contend with opposition today you're apt to be the one who lucks out in the long run.

GEMINI (May 21-June 20) Whether you have problems today largely depends on your own attitude. If you seek the sunshine, it's there.

CANCER (June 21-July 22) It's not likely that your generosity toward certain pals will be matched today. When the tab comes, see that everyone antes up.

LEO (July 23-Aug. 22) Put your splendid sense of humor to work for you today instead of taking yourself and

everything you do too seriously. VIRGO (Aug. 23-Sept. 22) Dwelling on self-defeating thoughts will whip you before you even get started today. It's just as easy to see yourself a winner.

LIBRA (Sept. 23-Oct. 23) Give of yourself, your time and your advice to a friend who has a problem today, but don't try to solve things with your checkbook.

SCORPIO (Oct. 24-Nov. 22) Being too closely involved with the wrong person today could cause you complications. Avoid anyone whose aims differ considerably with

SAGITTARIUS (Nov. 23-Dec. 21) You'll be willing to be helpful today, but you'll deeply resent being used. Unfortunately, someone may try to take advantage of you.

CAPRICORN (Dec. 22-Jan. 19) It's best that you don't do business with friends today. If it can't be avoided be careful no one's feelings are hurt. AQUARIUS (Jan. 20-Feb. 19) This is not a good day to

enter into important negotiations as you may have to bargain from your weakness. Wait. PISCES (Feb. 20-March 20) Today, you're apt to be

your own harshest critic. Try to see the same good points in yourself that others recognize. Your Birthday Oct. 10, 1976 Opportunities may be presented to you this year, not

because of whom you know, but because of WHAT you know. Work on developing more expertise in your field.

LOS ANGELES (AP) -A 19-year-old man, arrested for investigation of house breaking, choked to death when a police officer tried to subdue him with a department-approved con-trol hold, a police spokesman reported.

The spokesman said Edward Dailey appeared to be under the influence of narcotics and put up a fight when arrested Wednesday. The arresting officer then tried the neck hold, Dailey lost consciousness, and could not be revived.

Authorities said the neck hold is one taught by and approved by the police department to control persons resisting arrest.

Alcoholic analyzer talks back

LOS ANGELES (AP) She downed her second potent martini, put a quarter in the slot and blew into the machine through a straw.

"Please don't drive" the machine responded with a flashing red message.

Maria McBane, a model had no intention of driving since she was demonstrating a new device described as a "coinoperated breath analyzer.'

The developer of the device, called "Alcohol ' said at the Alert, demonstration recently that the machine could be used in bars to let drinkers know when they've had too much to drive.

Chuck Bane claimed Alcohol Alert is as accurate a device as any used by the police department.

He said he came up with the idea after a state court ruled last May that resturants can be held responsible for injuries incurred by patrons who are allowed to drink too much.

If a patron taking the test is deemed sober enough to drive by the machine, it flashes a green message, "Know your limit, take this test again

Zoo expands bug colony by 3 million

SAN DIEGO (AP)-The San Diego Zoo has plenty of animals, but now its richer by three million bugs.

The insects, all ladybugs released from plastic bags onto the zoo grounds recently, are expected to cut a swath through pests such as aphids and leaf worms.

The ladybugs were donated to the zoo by a Los Angeles firm which sells them to gardeners who want to engage in organic pest control.

Now that the gardening season is over, the company found itself overstocked by three million

Rainwater for plants

LOMBARD, Ill. (AP) -Rainwater, or water low in minerals, is best for house plants, according to the Water Quality Assn.

Where tap water supplies have a high mineral content, the WQA recommends occasional heavy watering of house plants to flush away any salts that may collect in the soil.

Limited quantities of mineral-free water for house plants may be collected from roof runoff, or can be produced with a small reverse osmosis or demineralization unit.

Adobe de Palomares comes alive again

(Story on pages 4-5)

Doc Peirsol

It happened in Pomona,

There was a survival of the fittest, free-for-all struggle going on in Pomona in the year 1908. The horse and buggy days were still with us, as witness the Pony Stables, at 530 South Main Street, run by R.R. Carrion, where "first class gentle horses and single rigs" were available for hire by day, week or month. And also there was the Main Street Stables, Clark Brothers proprietors, at 125 South Main Street, where "good horses, careful drivers and first class turnouts, plus horse clipping", could be secured at reasonable rates.—But already, in that year 1908, Pomona's Automobile Row was in the making.

At Twomen and Diller's, in the IOOF Building, the 1909 Moline Roadster, "the noiseless machine", had just been announced. —Not to be outdone, E.W. Davies, 251 N. Garey Avenue, was presenting the 1909 Rambler, stating: "Fourteen thousand Ramblers are now in use and not a single one out of commission." -At that same time Fred Trickey was busily telling Pomonans about the virtues of Great Smith and Overland automobiles. - Then there was H.D. Blanchard, Second and Park, Kissel-Kar dealer, who was pointing out that his new model had "no timer no coil, no magneto, no storage battery" thanks to its Atwater-Kent distributing system. Blanchard also handled Reos. -And Osler and Matthews, Cadillac dealers, 234 West Third, were proudly stating that, "The factory is building 12,000 of these cars this year." Also the Star Garage, at 167-9 East Bertie Street, was advertising, The strongest, freshest dry batteries at the right price.

chess

Today, there is hardly a living and breathing "chessplayer" who does not fervently wish to see Bobby Fischer play Anatoly Karpov. Such an encounter would be one of the great sporting events of all time. It would be like Muhammed Ali and Joe Louis squaring off in their prime.

But now recently favorable reports of a five million dollar Philippine match have been contradicted by the bad news that Karpov, a Leningrader, is uncomfortable with the Manila climate. Even worse has been the almost simultaneous disclosure that there is again disagreement over the proposed length of the match.

Fischer still insists that victory go to the first player to win ten games, while Karpov wants a shorter match of specified

Yet all may not be lost. There is talk in some cir-

BEGINNER'S CORNER

cles (Soviet) that Karpov may accept Fischer's format if the required number of wins is lowered (perhaps to seven or eight).

Most hopeful is the usually reluctant Fischer's apparently strong desire to play. Bobby has just completed a trip to a number of Southeast Asian countries in an attempt to find an alternative site to Manila!?

Rare collanders value high

QUESTION: I will appreciate your com-ments on the two pieces of old graniteware shown in the enclosures. The collander is a lovely shade of blue, having light gray specks scattered over its entire surface. It is 4 inches high and 9 inches in diameter, and has some very minor chips on the rim base. These really cannot be seen unless examined closely. Could it be of

The boat-shaped pan is gray in color and has a mottled appearance. It is 13 inches long and 61/2 inches wide. On the bottom it is marked in dark blue "Graniteiron Ware, Pat. May 30, 76 — May 8, 78." What was this piece used for? It is perfect in every way, but has much bakedon grease around the edge of the rim. Can you tell me how to remove this easily without chipping the enamel! - Mrs. A. B. T.

ANSWER: The latter piece of graniteware is a bun tray, and it can be cleaned by using a commercial oven cleaner. Because of its shape, and the fact that it is marked, makes it a rarity in its field. Few pieces of graniteware were marked by the manufacturer. would estimate its value to be around \$25-\$35.

Collanders are more common, with prices ranging from about \$8-\$12 for examples like yours.

Graniteware - often referred to as enamel or agate cooking ware - was manufactured in quantity by numerous firms from the late 19th century well into the present century when it was replaced by gleaming aluminum in the 30s. Because the ware chipped easily, finding a perfect early example is difficult. All forms of graniteware are enjoying much popularity today.

QUESTION: Since you occasionally write about reproductions, I have been wondering if you have or can direct me to someone that has a listing of known reproduced iron penny banks? We collect both the mechanical as well as the

ANSWER: The most comprehensive list appears in Edwin G. Warman's price guide titled Twelfth Antiques & Their Current Prices." When an asterisk (*) appears with the name of a bank, it indicates that the bank has been reproduced. Mr. Warman's price guide is available at most book stores. or can be purchased by writing, E. G. QUESTION: I have been trying to sell a beautiful old quilt for some time now, but haven't had any luck. The pattern is "Log Cabin." it measures 86" x 88", is hand-sewn, and is in excellent condition. The quilt was made by my mother in the 1890s, and has been used very little. The colors are bright. The chimney is red and the logs are contrasting colors. Can you tell me what quilts like this one are being priced at today? - Mrs. C. S.

ANSWER: From about \$75 to \$90. Presently, the quilt market is rather sluggish with only the rare and unusual fetching top

QUESTION: About twenty years ago we received a gift of twelve service plates. They are marked "Wedgewood, Made In England," and are 101/2 inches in diameter. Each plate has a New England scene covering the entire area, other than the border. The scenes are from wood engravings by Claire Leighton. On the reverse side, there is a complete description of the scene with a facsimile of the artist's signature. Would you please tell me the value of the above pieces? - S. F.

Sounds of new generation to ring out at old adobe

ON THE COVER

An ox-drawn carreta and an old covered well stand on the grounds of La Casa Adobe de Palomares at 491 E. Arrow Highway, Pomona, where the city and the Historical Society of Pomona Valley will sponsor the first annual Fiesta of Crafts next Saturday. Kathleen Hull, hostess and curator of the adobe, watches Pomona artist Joe Henry put the finishing touches on one of the pots he will exhibit during the day-long program.

Flor de Mexico will perform. From left are Dimas Vasquez, Bernardo Vasquez, Marcella Foronda, Lisa Gomez, Gina Gomez and Felipe Foronda.

The art of spinning will be demonstrated by Judy Caputo.

Young dancers, from left, Donna Rodriguez, Christina Banales and Chris Gutierrez-Stffler, will perform at the fiesta.

Pomona's La Casa de Palomares, which rang with the guitars of Spanish cabileros more than a century ago, will echo the voices of a new generation of Pomona Valley residents when the city and the Historical Society of Pomona Valley sponsor the first annual Fiesta of Crafts next Saturday.

Seven well-known local artists and craftsmen will demonstrate their skills and display and sell their works. The 9:30-to-5 p.m. program is open to the public without charge.

Two groups of costumed young dancers, Flor de Mexico and Danzas Folkloricas Mexicanas, will present programs of folk

dancing at 11 a.m., noon and 3 p.m. An extra attrac-

tion will be blacksmith

Artists taking part are Ingrid Peterson, weaving and applique; Linda Turner, jewelry; Joe Henry, pottery; Greg Shelleatherwork; Judy

Caputo, spinning, and Pamela Mower, pen-andink drawing. Adobe sculptures by Dale Gaynor will also be exhibited.

Refreshments will in-clude fresh fried Indian bread and candy sticks in lemons.

'The purpose of this special event," says pretty Kathleen Hull, hostess and curator, "is to publicize facilities at the adobe that are suitable for small performances, dance recitals and exhibits. We hope to make this an annual event and to draw from the community talents related to the arts.

Adobe de Palomares, nestled amid cactus and palms at 491 E. Arrow Highway, is Pomona's most famous historical building. It is designated California Historical Site No. 372. Over the years the sprawling Spanish casa has been a gracious home for the Palomares family, a store, a stage coach stop, and a gathering place for Spanish dons and senoritas, early immigrants, Indians, explorers, soldiers and whip-cracking drivers of the legendary 20-mule team freighters.

The saga of the adobe zoes back to 1837 when Don Ygnacio Palomares and Don Ricardo Vejar of the Pueblo of Los Angeles petitioned the Mexican governor for a land grant to 15,000 acres in what is now the Pomona Valley. The petition granted, the men loaded their families and worldly goods into oxdrawn carretas and set out for the valley with their vaqueros, servants and livestock. With adobe bricks made by the Indians and large timbers hauled down from the mountains, the 13-room hacienda was constructed in 1854.

After a colorful career, the adobe was abandoned and became a crumbling ruin until 36 years ago when the City of Pomona, recognizing the historical value of the antique structure, acquired title to it. Through the initiative of the Historical Society of Pomona Valley and with funds donated by the federal government, the city and many civic groups, the Adobe de Palomares was restored to its original con-

Today it houses Spanish and colonial American furniture, Indian artifacts, costumes of the early days, dolls, dishes, utensils and treasured antiques. On the grounds, visitors will see ox-drawn carreta, the casa's original hitching rail, the well, the blacksmith shop and an outdoor adobe oven. Even the vines, trees and shrubs in garden and patio are close facsimilies of the original plantings.

With its memories of Indian uprisings, gay Spanish fiestas, of pioneers, rustlers, miners, Yankee troops and the flags of three nations, La Casa Adobe de Palomares offers vivid reminder of a glamorous era in California history

Restaurant celebrates its fifth anniversary

Owners of the Restaurant are the Warrens, from left, Brent, Beth, Mark, Marcia and Clyde.

Mission Family Restaurant, 888 W. Mission Blvd., Pomona, will celebrate its fifth anniversary in November.

Opened in November 1971, the restaurant's success has proven the need for a good restaurant near the Pomona courts and City Hall complex, said Evelyn Tecarr, manager.

"Good food at reasonable prices is popular with families, church groups, charter bus tours and the downtown lunch crowd," she said.

The owners of the restaurant are Mr. and Mrs. Clyde Warren and their son, Mark.

Clyde Warren, a local Realtor for over 25 years, was introduced to the restaurant business in North Carolina prior to World War II. Mrs. Warren opened Warren's Malt Shop on West Holt Avenue in Pomona in 1951.

Mark Warren, currently president of the Pomona Valley Board of Realtors, joined his father in the real estate business in 1970.

The Warrens have two other children, a daughter, Beth, who is a student at Cal State Fullerton and a son, Brent, who often works at the restaurant.

Miss Tecarr has been manager of the restaurant for two and a half years. Previously she was with the Valencia Country Club in Valencia and Western Hills Country Club in Chino.

The chef is Venanzio Carcich. A native of Italy, he was previously a chef at Radio City Music Hall in New York and at various places in

California. His assistant is Michael Ponge, who is studying restaurant management at Cal Poly.

Miss Tecarr said the restaurant features a salad bar served weekdays from 11 a.m. to 2 p.m. A regular breakfast, luncheon and dinner menu is available daily.

Banquet facilities are also available.

Rally squad cheers for champs' camp

By MILISSA CLESCERI
Ganesha Correspondent
The Ganesha Rally Squad attended the "Camp of

Champs" this summer at UCSD. The girls learned new cheers and chants. They also received many awards commending their performances.

The cheerleaders won a trophy for leadership. For their routines they received two superior and one excellent ribbons. They also received a spirit stick. The members of Ganecha cheer squad are Carla Lack, Karla Naslund, Carol Woosey, Nancy Lynch, Adrienne Tucker, Cyndee Stoddard, Sue Wiencek, Ann Lynn Leroy and Dee Ann Guth.

The song awards included a individual first place blue ribbon and five individual second place ribbons. "Pinball Wizard" a routine done by song, received a first place

plaque.

Two dorm ribbons were awarded to the girls for their neatness. Two spirit sticks were also awarded to the girls. Those who participate in song are Leslie Cotterman, Becca Whitney, Linda Raisebeck, Cindy Kraig, Lorna Tate, Cookie Tate, Jan Fractious and Sherry Woods.

Flag received 28 ribbons for their performances. They were awarded the second place prize for being the hardest working flag team. The girls also received an award for good sportsmanship. The members of flag include Kim Swain, Pam Denchfield, Vanessa Denchfield, Nancy McFaden, Kim Baca, Cheryl Fields, Debbie Vomacks and Meline McFall.

Chino 'busy' farmer first

Kicking off National 4-H Week, Oct. 3 to 9, is the announcement that Diane Luiz of Chino Busy Farmers 4-H Club, has been chosen first place winner in dairy goats in state competition and fourth alternate in dairy science to the National 4-H Congress

Diane, who also was named regional winner in dairy goats by a committee of Southern California 4-H staff and volunteer leaders, is 18 and has been a junior leader and county medalist.

Michael Grainger of
Redlands was chosen to
represent California at the
National Congress for his
bread project; and Ken
Stout of the Redlands Club,
and Tammie Clark of the
Grand Terrace Club,
placed as alternates is
plant science and beef
respectively.

All the state award winners were honored at the Monday meeting of the San Bernardino County Board of Supervisors.

There are over 3,000 youngsters in over 50 clubs and groups in San Bernardino County who are directed on the local level by adult and youth leaders with the 4-H staff at Cooperative Agricultural Extension providing coordination, state and national involvement, and education and training in leadership and projects. Garey AFS to launch drive

By MIKE SUDIN Garey Correspondent

Garey High's A.F.S. (American Field Service) Club is starting off the new year at full steam. They have contracted to distribute throughout LaVerne 4,800 free samples of Japanese style noodles for a food distributor. Miss Govaer, the club's sponsor, says they expect to make \$130 in the days work which is scheduled for Sunday, October 10.

These funds will then proceed into two separate accounts; the first for basic activities for the year and the second to help sponsor a foreign exchange student for Garey. \$207 have already been raised for this purpose. This year's president hopes to add another \$600 to that before the year is out.

"Garey has not had an exchange student for the past 7 years", states Miss Govaer. "It has been 7 years of hard work and struggle to beat out Pomona and Ganesha for one." She went on to say, "But this was not the only factor, for we have not found a home where an exchange student could stay in the Garey area."

Besides fund raising, other activities planned for the year are; skiing, flying, and hiking trips as well as visiting convalescent hospitals and helping with the Vietnemese.

Art, law banned in Viet college reform

BANGKOK, Thailand (AP) — Vietnam has abolished the faculties of art, law and general science at the University of Can Tho in the Mekong Delta area south of Saigon and turned it into a university of agriculture, Hanoi Radio said this week.

The broadcast monitored here said the change was aimed at producing more agricultural cadres to serve Vietnam's Socialist society rather than turning out 'unproductiv

The broadcast said the university has accepted 4,000 students for the current academic year under the instruction of 100 professors from northern Vietnam and 200 southern lecturers. Subjects include cultivation, veterinary science, animal husbandry, water sciences, irrigation and agricultural economy.

Pomona coeds ranked

By SUSAN BERGMANN Pomona Catholic

When juniors at Pomona Catholic High School took the PSAT/NMSQT Test last year, three girls placed in the top five percent in the nation. These girls, Alicia Alvarez, Elenor Taylor and Anne Miller were each given a letter by the principal last March informing them of their accomplishment. Since that time, they have received at least 50 letters each from colleges and universities, telling what the various schools have to offer and extending invitations to them to become students there. Now the girls are taking the SAT tests for college entrance. On Oct. 5-7, seniors at Pomona Catholic High School went on a spiritual retreat to Valyermo Retreat House. About 60 girls drove up Tuesday afternoon to begin the retreat at 7 p.m. A team of priests under the direction of Father Gene Buhr conducted the retreat.

Steeplejack, steeplejill high

youthful pair follow father, find spirits uplifted in 'aerie'

By EVERETT S. LANDERS Poughkeepsie, N.Y. Journal Staff Writer

NEW PALTZ, N.Y. (AP) The paint-smeared flannel shirt, worn jeans and heavy boots appeared an unlikely work uniorm for the soft-spoken 17-year-old

But her confident swing into a boatswain's chair, gliding 80 feet above the ground, was sufficient evidence she had chosen her occupation with conviction.

Doreen Baxter, like her father and younger brother, is a steeplejack. She doesn't object to being called a steeplejill, but it makes little difference, she said. "because I'm doing what I want to do and you can call it what you want.

The three-century-old steeple of the New Paltz Reformed Church was the immediate target of the Baxters' handiwork. Billy Baxter, 15, worked at the very top, scraping a weathered coat of white paint. Doreen and William Baxter, 41, made their way along a narrow catwalk near the steeple clock. They made a careful check of the block and fall that guides their daily lives and deftly climbed into side-byside boatswain's chairs to paint the steeple sidewall.

There was no idle chatter. Father and daughter quietly shared a unique detachment from others who spend their days earthbound.

Twelve years ago the elder Baxter had a comfortable office job. Following an argument with a superior, he went into business with a painter and eventually drifted into steeplejacking.

He has an unconcealed

pride in the accomplishments of his son and daughter, but an understanding their days together in mid-air may be numbered.

Letting her dark hair fall from beneath a babushka, Doreen said, "I've been looking for something else, but when I think about an office job I know it will never be as exciting.

She said each job was a challenge and the kind of hard work she has come to enjoy. "I feel like I'm in my element high above the

'She complains because she can't keep up with me," her father said, "but she has the willpower to keep trying.

Baxter spoke of how he carefully checks the rigs each day before they ascend to perches above the treetops. He recalled his children working on huge oil tanks and their days together on numerous difficult jobs.

With the start of school, Doreen has resumed her studies in business and ac-counting at Wallkill, N.Y., High School and Bill is in junior high.

As for Baxter's wife, "She's interested in the work but not the height. I. think she's happy at home."

apathy among college students because of a lack of easily identifiable "youth issues" in the campaign. The second debate took place Wednesday.

Young ad stars still just kids

By CONNIE GRZELKA NEW YORK (AP) They're normal children who go to school, ride bikes and play ball.

But they also earn anywhere from \$200 up to \$5,000 or \$10,000 in a day.

They're the kids who appear on television commercials. There are hundreds in the business, says Mari Lyn Henry, associate casting director at an advertising agency, who sees close to 300 of them a

Ms. Henry, who has worked with both children and adults for the past seven years at Cun-ningham & Walsh, de-scribes her work with youngsters as "a special, human experience They're always full of sur-

Most of the children in the business are the "natural performers" who are extroverted and like to entertain, she says. The others are "cute children" who their parents think should be on television, she

The kids come in all sizes, types and ages, from infancy to 10. Since youngsters tire easily, have a shorter attention span and may be self-conscious, Ms. Henry says that auditioning requires patience and an aware-ness of the child's needs.

Some of the children say they want to be stars when they start doing commer-cials, explains Ms. Henry. "But it's a fantasy. When they find out how much work is involved, many quickly change their
